

To nominate a provider for the BCBS network you must first start the process of locating providers.

1. Go to www.bcbsil.com.
2. At the very top of the page in small print, click on the tab "Providers."
3. Down this page and slightly to the right find the Provider Finder box, click on "search now."
4. On the left side of the Provider Finder page, go to "I'm looking for a doctor or hospital and live in" select your state and click on "start search."
5. On the left side of the page, go to "Plan Networks" and "select from the list below." Choose "Participating Provider Organization [PPO]."
6. Scroll down the page and complete the "Search Criteria" and then click "Start Search." On the left side of the page under Other Options, click on Recommend a Provider to your network.
7. Complete the requested information and click on submit.
