## Other Important Information about your Outpatient Prescription Drug Benefits

For Prescription Drug Products at a retail Network Pharmacy, you are responsible for paying the lowest of the applicable Co-payment and/or Co-insurance, the Network Pharmacy's Usual and Customary Charge for the Prescription Drug Product or the Prescription Drug Charge for that Prescription Drug Product. For Prescription Drug Products from a mail order Network Pharmacy, you are responsible for paying the lower of the applicable Co-payment and/or Co-insurance or the Prescription Drug Charge for that Prescription Drug Product. See the Co-payments and/or Co-insurance stated in the Benefit Information table for amounts.

For a single Co-payment and/or Co-insurance, you may receive a Prescription Drug Product up to the stated supply limit. Some products are subject to additional supply limits based on criteria that we have developed. Supply limits are subject, from time to time, to our review and change.

Specialty Prescription Drug Products supply limits are as written by the provider, up to a consecutive 31-day supply of the Specialty Prescription Drug Product, unless adjusted based on the drug manufacturer's packaging size, or based on supply limits, or as allowed under the Smart Fill Program. Supply limits apply to Specialty Prescription Drug Products obtained at a Preferred Specialty Network Pharmacy, a Non-Preferred Specialty Network Pharmacy, an out-of-Network Pharmacy, a mail order Network Pharmacy or a Designated Pharmacy.

Certain Prescription Drug Products for which Benefits are described under the Prescription Drug Rider are subject to step therapy requirements. In order to receive Benefits for such Prescription Drug Products you must use a different Prescription Drug Product(s) first. You may find out whether a Prescription Drug Product is subject to step therapy requirements by contacting us at [myuhc.com](http://myuhc.com)<sup>®</sup> or the telephone number on your ID card.

Before certain Prescription Drug Products are dispensed to you, your Physician, your pharmacist or you are required to obtain prior authorization from us or our designee to determine whether the Prescription Drug Product is in accordance with our approved guidelines and it meets the definition of a Covered Health Care Service and is not an Experimental or Investigational or Unproven Service. We may also require you to obtain prior authorization from us or our designee so we can determine whether the Prescription Drug Product, in accordance with our approved guidelines, was prescribed by a Specialist.

If you require certain Specialty Prescription Drug Products, we may direct you to pharmacies with whom we have an arrangement to provide those Specialty Prescription Drug Products. If you are directed to such pharmacies and you choose not to obtain your Specialty Prescription Drug Product from one of these pharmacies, no Benefit will be paid for that Specialty Prescription Drug Product.

You may be required to fill the first Prescription Drug Product order and obtain 2 refills through a retail pharmacy before using a mail order Network Pharmacy.

If you require certain Maintenance Medications, we may direct you to the Mail Order Network Pharmacy or Preferred 90 Day Retail Network Pharmacy to obtain those Maintenance Medications. If you choose not to obtain your Maintenance Medications from the Mail Order Network Pharmacy or Preferred 90 Day Retail Network Pharmacy, you may opt-out of the Maintenance Medication Program by contacting us at [myuhc.com](http://myuhc.com)<sup>®</sup> or the telephone number on your ID card. If you choose to opt out when directed to a Mail Order Network Pharmacy or Preferred 90 Day Retail Network Pharmacy but do not inform us, no Benefits will be paid for that Prescription Drug Product after the allowed number of fills at Retail Network Pharmacy.

Certain Preventive Care Medications maybe covered. You can get more information by contacting us at [myuhc.com](http://myuhc.com)<sup>®</sup> or the telephone number on your ID card.

Benefits are provided for certain Prescription Drug Products dispensed by a mail order Network Pharmacy or Preferred 90 Day Retail Network Pharmacy. The Outpatient Prescription Drug Schedule of Benefits will tell you how mail order Network Pharmacy and Preferred 90 Day Retail Network Pharmacy supply limits apply. Please contact us at [myuhc.com](http://myuhc.com)<sup>®</sup> or the telephone number on your ID card to find out if Benefits are provided for your Prescription Drug Product and for information on how to obtain your Prescription Drug Product through a mail order Network Pharmacy or Preferred 90 Day Retail Network Pharmacy.
